EDUCATION

○ B. Tech. in Computer Science and Engineering Central University of Haryana

08/2020 - Present

CGPA - 8.2 /10 (Average)

○ Intermediate-ISC MRM Collage Darbhanga

05/2017 - 03/2019

Aggregate-70%

SKILLS

MongoDB

ExpressJS

ReactJS

NodeJS

JavaScript

Git

HTML

CSS

Python

Problem Solving

Firebase

Bootstrap

ACHIEVEMENTS

National Science Day

Achieved the second position in project selection during National Science Day.

Problem Solving Achievement

solved **250+** problems on multiple coding platforms. Refer-[Leetcode](#)

CERTIFICATES

JavaScript certified from Udemy (04/2022 - Present)

NodeJs certified from Udemy (10/2022 - Present)

MongoDB certified from Udemy (02/2023 - Present)

ROLES

Data Compilation (main team) Advik Techfest

As a Data Compilation Team member, I gathered, verified, and organized essential data, adeptly creating certificates.

ByteCodeLerners Community(Core Member)

providing mentorship and technical support to fellow students, while also facilitating project development and collaborative learning .
